Let us make the world a better place;
Keep a smile handy, have a helping hand,
Let us all join in and sing.

To free the troubled world all in pain;
Join we that man and free the world
As we all join in and sing.
4. "Freedom!" we do shout for everybody
And unless there is, we would pray that
Soon there will be one, true, brother-hood,
Let us all join in and sing.
